What is the canteen?

The canteen is a physical store on campus selling 5 Star gear, snacks and drinks. When you arrive on campus you will be asked if you want to deposit any money in the canteen. Whatever amount you wish to deposit will become amount of credit you have in the store. The canteen can also be used to purchase items forgotten at home (toothbrush, soap, etc.), because the canteen staff will go into town each day to purchase these requested items. At the end of camp any unspent money will be returned to you in full.

Why should I put my money in the canteen?

If you hold onto your own money and wish to make cash purchases you can, but do so at your own risk. Any money you lose or that is stolen cannot be replaced.
